PRESIDENT

Dear Friends:

This Directory is a valuable channel of communication and we appreciate the careful work of those who produced it.

We think that the pictures and the information set forth in these pages will facilitate our desire to understand, to appreciate, to serve, and to remember one another.

On this campus we are involved in the intellectual and spiritual growth of persons who give promise of genuine usefulness as Christian ministers. This process of growth springs out of Christian commitment, rigorous study, and the celebration of the love of God in worship. It is nurtured by a climate of thoughtfulness and friendliness and by the clarification of theological insights.

On this campus we have an opportunity to attain academic excellence, interpersonal competence, and vocational effectiveness. Appropriate use of this Directory will help us to achieve these objectives.

Cordially Yours,

Olin T. Binkley

Dear Fellow Students:

I would like to take this opportunity to recommend this handbook to all members of our seminary family. Many times we hear questions being asked on campus concerning the student government or various regulations or other factual material relating to student and campus life. We find ourselves searching for answers through a number of sources. This handbook, however, can solve some of these problems in a matter of seconds since it provides answers to many such factual questions.

Of greater importance than this, though, is the fact that in this directory we have information and pictures of those who are a part of our seminary community. Our handbook not only serves the purpose of providing us information as to how we may be in touch with one another but also provides us a means of becoming better acquainted through the association of names and faces.

If you will take a few moments to browse through these pages you will find yourself returning to it frequently. I encourage you to make use of this directory for 1971-72 in the hopes that we will not only be better informed but also become better acquainted members of the seminary family.

Sincerely,

Jerry W. Turner
President
Student Council

SOUTHEASTERN BAPTIST
THEOLOGICAL SEMINARY
Wake Forest, North Carolina

Health Center Program

In the interest of attaining the highest possible level of health among students, faculty and their families, the Seminary makes available a program of health care and medical services for all members of the Seminary family. The medical services include, among other things, a program of prevention of illness through physical examinations and immunizations, and treatment of illness under the direction of the campus physician.

In order that students may understand the health care program and know their own responsibilities in seeking the services provided, the following statement of policies has been formulated.

General Policy

The Seminary Health Center will be open as follows:

Monday through Friday
8:30 a.m.-3:00 p.m.

Doctor's Hours
10:00 a.m.-12:00 noon By Appointment

Students needing medical care are asked to report to the Health Center for treatment. Appointments to see the physician should be made several days in advance if no acute illness is involved. Students are seen by the physician without charge, but are responsible for cost of drugs prescribed by the physician. All appointments with the physician must be kept punctually.

After the Health Center closes each day, **NO NURSE WILL BE ON CALL.** If medical attention is essential before the Health Center opens the following day, persons must call the office of a physician of choice for an appointment. All services of a physician, other than those rendered at the Health Center will be at the expense of the patient.

Purchase of Medicines

Participants in the Health Center Program may secure general medicines and some medical supplies through the Health Center as prescribed by the campus physician at prices which cover cost plus handling. The sale of prescription medicine is limited to medicine prescribed

by the Campus Physician. Drugs prescribed by the Campus Physician and which are not in stock may be ordered at the request of the student. A fee of \$1.00 will be charged for injections, suturing, and cancer smears and \$.50 for allergy injections. The student is asked to pay for all medicines at the time he receives them.

Health Center Location and Personnel

The Seminary Health Center is located on Rock Spring Road (adjacent to the Trailer Village and across the street from Wake Forest High School). Off street parking is provided at the rear of the building.
